Florida's Effective Access to Student Education (EASE) Voucher paves the way for Florida students to access higher education choices and opportunities in Florida.

Currently, 46,000 Florida students at ICUF schools benefit from the EASE voucher.

"I'm a nursing student and a Navy Veteran who just returned from deployment. I'd like to thank you for continuing to support EASE. In doing so, you've allowed all of us to follow our dreams."
